## Experience

August 2017 - Present

### Apple inc.

#### Sales Specialist

Delivered great customer experiences in a very active environment while displaying strong people skills and agility with learning new products and features. Collaborated across teams to meet personal and store goals.

#### Operations Specialist

Demonstrated strong organizational skills while performing problem-solving tasks within changing conditions. Met multiple weekly inventory deadlines. Managed store's inventory while following guidelines to ensure secure access to products.

March 2016 - March 2017

### Mypiece inc.

#### UI / UX Designer

As the sole designer, redesigned the Mypiece app while developing monetization features. Tested and delivered multiple iterations of the user journey. Designed all digital graphics.
